- All models manufactured by Adams, a world leader in professional keyboard instruments
- Bars tuned to the same specifications as professional model 5.0 Octave Rosewood marimbas (Tuned to the 6th overtone)
- Durable, quality construction

Rental Program Details

- All rentals are month to month
- No long term contracts
- 75% of rental fees may be applied toward purchase of rental instrument or any keyboard instrument of equal or greater value at the time rental is returned. Current price at time of purchase prevails.
- First two months due in advance. Rental fees automatically billed to credit card on file beginning on the 3rd month
- Lone Star will provide one loaner Academy model marimba/xylophone to the school for every 5 instruments rented.
- Free delivery for all orders of 5 or more instruments (must be delivered in a single bulk delivery to school)
- Credit check required

Upgrades/Downgrades

- Renter may upgrade or downgrade to another instrument at any time with no additional fees or term extensions.
 - ✓ As the student grows, so does the instrument
 - ✓ Not stuck with an instrument the student has outgrown halfway through the rental period
- Monthly fee will change to the current rate of the new instrument.

Protections Plans

- Insurance available for \$9 per month
- Insurance covers incidental damage to the instrument, theft, or damage due to fire/flood. (Police report required for theft/fire/flood).

Custom Beginner Packs

- Lone Star will offer bundled discount on other products including but not limited to sticks, mallets, practice pads, method books, metronomes, tuning forks, pitch pipes, bags, etc.
- Complete customization of packs available. Mix and match to your exact needs, no restrictions.
- Free Lone Star Percussion Tee Shirt with every instrument rental/beginner pack
