

## Wills Point Band Boosters

February 1, 2009

Dear Senior Band Member and Parent,

Enclosed you will find an application for a band scholarship. Students who wish to compete for a scholarship should complete the scholarship application and return it by **March 2nd**, to **Mr. Young**. The scholarship committee will review applications and schedule interviews with all applicants. Personal interviews will take place in early April. Scholarship awards will be presented at the High School Awards ceremony.

Students who have played a musical instrument in the Wills Point High School band for a minimum of one year and earned a senior band credit are eligible to apply and be considered for a scholarship during their senior year. Students qualified to graduate at the end of the first semester of their senior year may also apply. Senior transfer students must have attended Wills Point High School for minimum of two semesters and played an instrument in the band program for both semesters.

Considerations for scholarship awards include number of years that the student has played an instrument in the Wills Point High School Band (a minimum of one year is required), musical ability, and dedication to music. Citizenship and school spirit may also be considered if talent and dedication among applicants is deemed to be equal. Grade point average and monetary need are not to be considered.

Scholarship(s) will be awarded based on the availability of funds and the number of qualified applicants as outlined in the Wills Point Band Booster Scholarship Committee Rules. If awarded a scholarship, a student must attend a college or junior college with a band program and play an instrument in that band program to receive the scholarship funds. Scholarship funds are payable to the college of the student's choice and must be claimed by the spring registration of the year following the award.

The scholarship application is also available at <http://www.willspointbands.com/scholarship>

If you have any questions regarding the scholarship or application process, please feel free to contact me or any other member of the scholarship committee.

Sincerely,

Liz Mince
